National & international reach

Dear Potential Sponsor,

On behalf of Blind Golf Canada, I am pleased to invite you to be part of the 2027 ISPS HANDA Canadian Open, taking place August 15-18, 2027, at Highwood Golf Club in High River, Alberta.

As a golfer with low vision myself, I know firsthand the impact blind golf can have. It provides much more than an opportunity to compete - it builds confidence, independence, friendships and a strong sense of community.

The Canadian Open will bring together blind and low-vision golfers and their coaches from across Canada and beyond for several days of competition, camaraderie and celebration. We look forward to showcasing the abilities of our athletes while increasing awareness of blind golf throughout Alberta and across the country.

With the generous support of sponsors and community partners, we can provide our golfers and coaches with a memorable championship experience while continuing to grow the sport and create opportunities for people living with vision loss.
