Dear Potential Sponsor,

As President of the Western Canadian Blind Golf Association (WCBGA) and as a member with low vision, I am pleased to announce our annual championship. This year's event will once again take place in Saskatchewan, hosted at The Legends Golf Club in Warman from July 19th to 22nd, 2027.

With your generous support, we can make this championship a memorable and meaningful experience for everyone involved. The event will bring together blind and low-vision golfers from across the Western provinces, the rest of Canada, and some international competitors. We expect more than 80 participants and their families to join us, making this not only a sporting event but also a celebration of community and inclusion.

These championships create hope, friendship, confidence and social connection while promoting both mental and physical well-being.

Sponsorship from valued community partners and organizations makes it possible to continue hosting these life-changing events year after year.
